	After 9:00 pm	Dismantling	
Friday (10/25)	Between 8 pm and 11:30 pm	Award	Theater Feevale

Observations:

1 - Between the days 10/22 and 10/24 the lunch break will be between 12:30 and 1:30 p.m. This schedule is not necessary for the finalist not to be there, everyone can move to the food area.

2 - Between the days 10/22 and 10/24 the dinner break will be between 5:00 p.m. and 7:00 p.m. The finalist's schedule should be repeated to set aside, preventing the stand from

becoming empty. Individual projects must be indicated with a ticket or period of absence during working hours.

3 - In the morning shift two days 10/23 and 10/24 the projects will be endorsed only by Mostratec's evaluators, without public visitation. On each day the goals of the areas will be evaluated as listed in the Project judgment session of this information. The finalists must be present at the same time as soon as possible on the day of evaluation of their area.

4 - On 10/25 there will be no public visitation, being a free day for the finalists and counselors.

2. CLOTHING

Below are some **suggestions for the** most appropriate attire for each day of the Mostratec:

Monday: Registration and booth set-up:

Comfortable clothes and shoes, on this day there is no visitation and there is no need for formality or uniform.

Tuesday, Wednesday and Thursday: Presentation and evaluation of works:

T-shirt from Mostratec, uniform from the school of origin, clothing suitable for a formal presentation of the work or typical attire of the country or state of origin.

Friday: Awards Ceremony:

As this is an awards event, we suggest formal or semi-formal attire.

3. ARRIVING AT MOSTRATEC

This year, Mostratec will once again be held in person at the Fenac Events Center, located at Avenida Nações Unidas, 3825 - Ideal, Novo Hamburgo - RS. For those who come from another city/state and will be staying in the region, we recommend that, if possible, first check in at your accommodation and then head to the events center to register and set up a booth. The space is quite large and it can be uncomfortable to walk around it with your luggage (we don't have luggage storage).

For those arriving by plane through Salgado Filho Airport (Porto Alegre) there are a few options to get to your accommodation or to the Fenac Events Center:

- With the transfer service from Mostratec that will be on duty at the airport on 10/20 (Sunday), 10/21 (Monday) and 10/22 (Tuesday). Transportation will be by chartered bus for R\$40.00 per person. You will be able to locate the personnel in the arrivals area who will be with a kiosk identified with the Mostratec logo. If you are interested in this transportation option, you should send your flight arrival details (date, time, and flight number) to the email: transporte@liberato.com.br

Other transport options:

- Using Trensurb public transport, an intercity train that connects the airport to Novo Hamburgo (passing through São Leopoldo) and operates between 5:00 am and 11:25 pm. An airmobile connects the airport to the train station where you take the train to Novo Hamburgo Station. The penultimate station (Fenac Station) is opposite the fair site (Fenac Events Center), but other stations may be closer to your accommodation. The value of the train ticket per person (airmobile + train) is R\$4.50.
- Transport by app: Uber and 99Pop platforms operate in the region and have an approximate cost of R\$65.00 to the fair location (Centro de Eventos Fenac in Novo Hamburgo) and the surroundings.

4. ACCREDITATION REGISTRATION

Events Center, located in the new pavilion on the right, right in front of the parking lot, as shown in the image below

:

Fenacat Fenac's reception. Upon registration, you will receive badges, t-shirts and bags, in addition to checking your booth number. It will also be time to pay the registration fee if you did not pay by bank transfer or do not fit into any exemption category. The payment can be made in cash or by card;

2nd - After completing the accreditation, you must go to the CRC (Scientific Review Committee) which is located on the upper floor, in the same location as the project stands. At the CRC, you will check if everything is correct with the necessary forms and remove the towel to place it in the booth;

3rd - Only after passing the CRC you can set up your stand, remembering to observe the stipulated rules. Once completed, you must inform the CRC that you have finished the assembly and wait for the conference to be held at the stand;

4th - When the booth is checked, the CRC will leave a note confirming that everything is ok or indicating if something needs to be corrected. If everything is ok, you are

dismissed and can only return at the beginning of the presentations (from 1:30 pm on 10/23). If you have something to fix, look for the CRC again.

5. MONEY EXCHANGE

For your convenience, we will have an exchange office inside Mostratec 2024: Executive Câmbio. It will be available for foreign currency exchange at the following times:

- **10/21 (Monday) and 10/22 (Tuesday)**
Between 8 a.m. and 6 p.m.
- **10/23 (Wednesday) and 10/24 (Thursday)**
Between 1:00 p.m. and 5:00 p.m.

6. ICEBREAKER EVENT: PIN EXCHANGE

On Tuesday(22/10/2024) between 10h30 a.m. and 11:30 p.m. we will have an icebreaker event for all final year students. At this event we will have some musical performances and also the opportunity for students to exchange pins and souvenirs that characterize their city, state, country or even their project. This event will take place on the main stage on the 2nd floor, close to the stands. We invite everyone who is interested to participate in this moment of integration.

7. FOOD AND NAME BADGE

At the time of registration, you had the option of purchasing credits for food at the fair. If selected and paid for this option, **each name badge** will be credited with the number of meals requested. The use will be made by reading the QR Code, which appears on each badge, in the food court establishments.

It is important to note that **all name badges have a QR Code**, but only those who made the request and payment will be credited with food.

If you have lost your name badge, you can request another at the secretariat/accreditation department for a fee, but there is no guarantee that the credits will not be used by someone who finds the lost badge. TAKE CARE OF YOUR NAME BADGE.

8. PROJECT JUDGMENT

The evaluation aims to diagnose the process of production of scientific and/or technological knowledge of the research. All MOSTRATEC evaluators will be identified. The evaluators of the Institutions that award Brazilian students with Scholarships may or may not be identified.

Mostratec's evaluations of high school projects take place on 10/23 (Wednesday) and 10/24 (Thursday), as shown in the table below:

10/23 (Wednesday)	10/24 (Thursday)
Biochemistry and Chemistry;	Cellular and Molecular Biology; Microbiology
Computer	Sciences Environmental Sciences
Education and Humanities	Health Sciences
Engineering and Materials	Animal and Plant
Sciences Electrical	Engineering Environmental and Sanitary Engineering
History and Social Sciences	Electronic Engineering
Mathematics and Physics, Planetary and Terrestrial	Sciences Mechanical Engineering

In these two days the assessment starts in morning shift:

- Between 8:00 am and 9:30 am **only evaluators** can access the upper floor, during this period they **only evaluate the stand**.

- After 9:30 am, the finalists of the areas evaluated on the day must go up for the interviews. **Advisors and companions cannot go to the upper floor during this evaluation period.**

- Between 12:30 and 13:30 there is a break for lunch. At this time all finalists can go down to have their meal.

- After 1:30 pm the fair is open for visitation and evaluation of partner institutions.

Important notes:

All finalists must be at the booth for presentation between 1:30 pm and 9:00 pm on 10/22, 10/23, and 10/24, and can be evaluated at any time by partner institutions.

On the day the project area is not evaluated, there is no need for the finalists to go to the fair site, having the morning of this day free. For example: A project in the area of Health Sciences has the morning of 10/23 (Wednesday) free, but must attend to be evaluated on the morning of 10/24 (Thursday) from 9:30 am.

9. TIME BREAK TO VISIT OTHER PROJECTS

This year the projects will have a period in which they will be released to circulate through Mostratec, being able to visit the projects of other finalists, without being prejudiced in their evaluations.

The finalists of the projects in the areas evaluated on 10/23 (Wednesday) will be able to leave the stands, from 5pm to 6pm, to visit the other projects at the fair, without punishment from the CRC. The same will happen on 10/24 (Thursday) with the finalists of the projects in the areas evaluated on that day (according to the table above in item 7. PROJECT JUDGMENT).

10. VIRTUAL VISIT

This year, for the first time, Mostratec will have a **live** broadcast throughout the fair on our youtube channel:

<https://www.youtube.com/user/oficialmostratec>

This tour will broadcast the experience directly from the fair in first person to follow everything that is happening. **Disclose so your school, family and friends can follow your participation in Mostratec 2024 in real time.**

11. SOCIAL MEDIAS

In addition to the youtube channel (<https://www.youtube.com/user/oficialmostratec>) Mostratec also has an instagram @ **Mostratecoficial** (<https://www.instagram.com/mostratecoficial/>).

Follow us there! Remember to publish your photos and videos of the fair by tagging us and using **#mostratec2024**

We also have our website where you can find a lot of information, in addition to the notebook with the complete schedule: .

12. CULTURAL EXCHANGE

MOSTRATEC is also an opportunity to get to know other cultures, so we invite your delegation to participate in the Cultural Exchange Night with an artistic presentation (singing, dancing, theater, traditional clothing parade or some other live performance) representing your country/state, lasting up to 5 minutes.

The Cultural Exchange Night will take place on 10/23/2024 (Wednesday), from 9pm to 11pm, on the main stage (2nd floor).

Registration can be completed using the form below until 8pm on 10/22/2024 (Tuesday).

[FORMS - CULTURAL EXCHANGE](#)

Note: We will have video and audio equipment available for use during the presentation. Presentations that require music or video must attach the file to the last item of this form.

Questions about registration can be sent to experiencia.mostratec@liberato.com.br

13. AWARDS

The Mostratec Ensino Médio award ceremony will take place on 10/25 (Friday) at 8 pm at the Feevale Theater (Feevale University, RS-239, 2755 - Campus II, Novo Hamburgo - RS).

Access to the ceremony will be by presenting the badge at the entrance to the theater.

Finalist students and advisors will attend the ceremony from the lower floor.

Due to the limited number of seats in this space, co-supervisors and other companions will be able to watch the ceremony from the upper floors (boxes and friezes).

If a project is awarded, only the finalist students go on stage to receive the award.

14. FRIDAY - FREE DAY

As indicated in the schedule, on 10/25 (Friday) there is no visitation or evaluation, so it is a free day for delegations to enjoy the attractions that interest them in the surroundings of Novo Hamburgo. In order for you to make the most of this day, it is important to check the round trip transportation and timetables, considering that the awards ceremony starts at 8 pm at Teatro Feevale. If you are staying at a hotel that has transport from the fair, it is important to check the departure time for the awards.
